

INVITATION TO BECOME A SOCCER REFEREE

Petaluma Youth Soccer League in conjunction with the North Coast Football Club is excited to announce the upcoming new referee certification class. This invitation is open to players or family members of either one of the two Clubs and to ANYONE interested in becoming a Soccer Referee.

For current and former players, as well as their families, the cost for the certification and licensing will be paid by the clubs. Here is the perfect opportunity to get a great understanding of the game **and earn money while doing so.**

The class is certainly open to all persons wishing to become new referees. However, the course cost for non-club affiliated persons is \$60.

This new referee course will be held:
