

2021 Recreational Team Clinics

Recreational Team Clinics will be held at Prince Park during the weeks of July 12th and July 19th. These clinics will be directed by PYSL trainers.

Team attendance at these trainings is required

Coaches should attend these clinics as they are designed to help develop coaching technique and ensure a uniform soccer experience for all players.

Coaches will be helping to direct the trainings and getting to know their players. If a coach cannot attend, an assistant coach or parent volunteer for the team should attend and bring the team equipment and be prepared to help assist the PYSL trainers on the field.
